

*Dear Colleagues and APVC2021 Supporters*

*Hope we all have a nice new year's break and enjoy watching the winter Olympic games in Beijing. Just a quick reminder that the paper submission link ([www.apvc2021.org](http://www.apvc2021.org)) of APVC2021, Qingdao is still open and accepts new submissions. Please submit your paper as soon as possible so that we can include your submission in the conference program. The conference accepts both full paper and abstract submissions, though only the full papers will be considered for possible inclusion in the special issues of the three affiliated journals of the conference.*

*Meanwhile, I look forwards to welcoming you in person at the APVC2021 conference in Qingdao.*

*Sincerely Yours*

*Dr Tian Ran Lin*

*General Chair, APVC2021 Qingdao*
